Canvas Desk Sign 7.3 · 6-Color

AES-0730D6

A double-sided six-color e-paper name sign for board meetings, signing ceremonies and VIP tables. Logos and colored backgrounds stay on screen without power, and names change from a phone or PC in seconds.

Sample / project quotation

Standard scope

- Double-sided desk sign with built-in battery
- USB-C charging cable
- Phone app with Excel attendee import, templates and batch updates

Options and installation

- Silver or woodgrain finish
- Bluetooth gateway for PC-managed rooms (about 30 m line of sight)
- Background artwork at 800 × 480 using only the six panel colors
- Custom templates, logos and third-party system integration by project

Freestanding T-shaped stand in painted ABS, silver or woodgrain. Both faces display, so the name reads from the table and from the audience. Operating temperature 0–50 °C.

Ordering and software scope

Request sample availability and a configuration-specific quotation. Lead time and certification documentation are confirmed before ordering.

Confirm price, taxes, freight, warranty and compliance documents in the quotation. Scheduling, groups and CMS/API require a demonstration and agreed scope; the expanded MagiRealm content engine remains on the roadmap. Image retention power is not a whole-device power or battery-life specification.
